- Have a 95% attendance
- Provided community service
- Be involved in clubs or organizations at FMHS
- Have a clean discipline record

This event serves to show the positive effect that a cooperative effort among the school, businesses, and the community can have on attitudes, motivation, and an atmosphere to learning. Students are recognized in front of parents, teachers, and peers.

Mayor's Corner

I want to welcome you to the 2nd of many tournaments that will benefit the "Evening with the Stars" academic scholarship program at Flower Mound High School. This program is the climax of 4 years of dedication and hard work for these deserving students. By recognizing these qualities in our students we have begun the process of creating the next generation of leaders in business, community, and education. Maintaining their qualifications to be recognized as a "Star" takes lots of community support and involvement. Thank you for supporting academic excellence at Flower Mound High School.
